

Guildford & Godalming InterFaith Forum

are hosting an event on Monday 24th October at St. Nicolas Parish Room,
Millmead, Guildford. Refreshments from 7.00p.m.

Our speaker Dr. Richard Boeke, Unitarian Minister and a Vice-President of
the World Congress of Faiths, is also a writer
and traveller and a founder of the U.S. Chapter of the
International Association for Religious Freedom.

He will be addressing this year's OWW theme "Living for One World
- for the Planet - for its People - and Acting for Change"

A poster should follow in due course but we would appreciate it very much if
you could include this event in any Newsletters or mailing lists which you are
involved with as a lot will be going on in the autumn...
