

DO YOU KNOW A TEENAGER WHO IS ABOUT TO BEGIN DRIVING OR HAS RECENTLY PASSED THEIR TEST?

The free, award winning road safety initiative heralded by Formula One World Champion, Damon Hill, as “literally a life saver”, will open to the public once again at Dorking Halls, Dorking, on Thursday 17 November 2011 at 7.30pm.

‘Safe Drive, Stay Alive’, is a hard-hitting interactive show that tells the story of a road traffic collision. A reconstruction video is interspersed with on stage, real life testimonies by serving members of the emergency services. Also, and perhaps most poignantly, stories are told by the parent of a young person who lost their life in a road traffic collision and also from a person disabled by the actions of a young driver.

Spearheaded by Surrey Fire and Rescue Service and supported by partners Surrey Police, South East Coast Ambulance Service, Surrey County Council, The Royal Surrey Hospital and Road Peace, ‘Safe Drive, Stay Alive’ targets young drivers in particular, and encourages them to think of the consequences of driving irresponsibly. More than 57,000 people have seen the shows to date and the feedback has been hugely positive.

Safe Drive, Stay Alive was awarded a highly acclaimed HRH Prince Michael of Kent

International Road Safety Award in 2006.

All 15 year olds and over are invited to attend. Contact Surrey Fire and Rescue Service on 01737 242444 or email safedrive@surreycc.gov.uk
