

We've launched our website!

www.smef.org.uk is now live and will serve as your life-line to Surrey Minority Ethnic Forum. Here you will be able to access news articles and statistical data relevant to you and your work as a Minority Ethnic community or voluntary group. You can find out about the services that are available to you as a member of SMEF. You can log on to the discussion board and engage with fellow members of the Forum to share best practise, resources and information. We hope you enjoy the site and the resources it can offer you.
